

Township of Cavan Monaghan Notice of Open House

In 2015, the Township of Cavan Monaghan Official Plan was approved establishing an updated planning framework that implements current Provincial policy and the County of Peterborough Official Plan. In accordance with Section 26(9) of the Planning Act, the Township is now required to complete a review of its Zoning By-law to ensure that it conforms to the policies of the new Official Plan. This is also an opportunity for the Township to implement other community objectives and contemporary zoning tools, and address local issues.
