

CP releases 2013 Holiday Train schedule for landmark 15th year of helping to feed local communities

Calgary, AB – Canadian Pacific (CP) today proudly released the schedule for the 15th year of the Holiday Train.

The schedule, available on CP's website at www.cpr.ca and on CP's Facebook page, outlines plans for the 'train of lights' to partner with communities in raising food and money for local food banks.

The 2013 CP Holiday Train program launches on November 25 in Kahnawake, Quebec, formally kicking off the three-week journey of two brightly decorated trains across Canada and the United States with its first U.S. stop in Scranton, PA.

The Canadian train will wrap up its journey December 16 in Port Coquitlam, BC, while the U.S. train will journey across the U.S. Northeast and Midwest before its final show December 19 in Weyburn, SK.

Since the Holiday Train program first launched in 1999, it has raised \$7.4 million and 3 million pounds of food for local communities.

Musicians traveling aboard the trains will play more than 150 free concerts from their boxcar stage.

CP asks that attendees bring a non-perishable food or cash donation, and all donations stay with the food shelf in the community where they're donated. Items like infant formula, canned meats, and spaghetti sauce are in particular demand for the millions of North American's who turn to food banks each month.

Each Holiday Train consists of 14 brightly decorated railcars, including a modified boxcar that has been turned into a traveling stage for performers. For the 15th year, CP's elves have updated the thousands of LED lights that adorn the sides of both trains with new holiday designs.

For additional information, photos, a route map, and downloadable pictures of the two trains, visit: www.cpr.ca. Supporters can also join the Holiday Train on Facebook and follow the two trains on Twitter @CPHolidaytrain #CPHolidayTrain

Backgrounder

Canadian Pacific Holiday Train

Canadian Pacific's annual Holiday Train program is considered to be the longest running fundraising program in North America. The Holiday Train program travels across Canada and the United States raising money, food, and awareness for food banks and hunger issues. The Holiday Train reaches more than 150 communities each year for a combined distance of 10,000 kilometres (approximately 6,000 miles).

What's a Holiday Train event like?

A typical Holiday Train event goes something like this: The train arrives and pulls to a safe stop in front of the crowd. The stage door lowers and the band opens with its first song. After that, a brief ceremony takes place which involves local food bank officials and other dignitaries. Once complete, the band resumes its show. After about a half hour that usually includes a mix of traditional and modern holiday-themed songs, the band plays its farewell show, the boxcar door closes, and the train slips off into the night on its way to the next stop.

For 2013, Holiday Train supporters will enjoy the music of Jim Cuddy, Matt Dusk, Doc Walker, Melanie Doane, Tracey Brown, Willy Porter, The Claytones and other musical guests. For more information on the performers and which train they will be on, please go to the Holiday Train website at: www.cpr.ca

Each Holiday Train is about 1,000 feet in length with 14 brightly decorated rail cars, including a modified boxcar that has been turned into a traveling stage for performers. They are each decorated with hundreds of thousands of technology-leading LED lights and holiday designs.

What's the impact been?

Since 1999, the Holiday Train has raised close to \$7.4 million and about 3 million pounds of food for North American food banks. Everything raised in each community stays in that community, and CP additionally makes donations at each stop.

Fun Facts

- Since 1999, the Holiday Trains have covered approximately 100,000 miles, and entertained hundreds of thousands of supporters.
- It takes 30 "CP elves" 100 days to completely transform and decorate the Holiday Trains before they start their journey across Canada and the U.S.
- In 2012, more than 20,000 candy canes were handed out to the kids at Holiday Train events. In the 14 years of the Holiday Train program, it is estimated over a quarter of a million candy canes have been given out to children as treats.

For additional information, photos, a route map, and downloadable pictures of the two trains, visit: www.cpr.ca.

The Holiday Train is on Facebook and on Twitter @CPHolidaytrain #CPHolidayTrain
