

BMROSS GARAGE SALE

A FUNDRAISER FOR HUNTER COSTELLO AND HIS FAMILY

In the picture are Hunter and his parents, Catherine and Ken Costello
Ken's parents are Tom & Pat Costello

WE CAN ALL HELP!

Nine month old Goderich resident has been diagnosed with Acute Lymphoblastic Leukemia (A.L.L.), a cancer which affects the blood, and is rare in infants under a year old. Hunter is expected to be in hospital for at least the next seven months for treatment. He has undergone four lumbar punctures and is undergoing chemotherapy.

We are hoping to help the financial burden of parents Catherine and Ken, incurred from time off work, as well as regular transportation between Goderich and London.

If you wish to donate some garage sale items, please contact Joanne or Kelly at (519) 524-2641.

The sale will be held on:

Saturday, August 16th -- 8:00 a.m. – BMROSS West Bldg.

Volunteers are required to assist with set-up, selling and clean up
Volunteers are also needed for baking (to set up a bake table) at the sale

Monetary donations will also be gratefully accepted
