(in the Community Room)

Peel Regional Police is pleased to announce a breakthrough concept in crime prevention. The crime prevention experts at Peel Regional Police have designed a certificate program that will help keep you and your family safe and secure. You will learn:

• When to call police • How to protect your home and your property • What to do in the event of a break-in • Personal safety while driving – How to prevent “road rage” • Personal safety at home, in the street, at work, while using bank machines or in elevators • What to do in the event of an accident or break down • Travel safety • Dealing with common neighbourhood problems • Auto related crime • Keeping your money • Additional community resources • and much, much more!

We spend most of our lives preparing to meet life's challenges. Yet few of us are prepared to prevent or deal with a criminal challenge should it come our way. Think about it! Whether its personal safety, home security, travel safety, telemarketing, door-to-door sales, credit card fraud, automobile safety and security, the average person has little more than an awareness about these issues and generally finds that they are ill prepared once its too late.

The Peel Regional Police recognizes

this fact and has developed a better alternative! The Peel Regional Police Crime Prevention Academy[®] will teach you the things you need to know to keep you, your family and property safe. This fun, interactive and informative course will be taught in six evening sessions by the experts at Peel Regional Police. At the conclusion of the course, you, your family and property will be much safer and a certificate* will be issued acknowledging your completion of the course.

*The course is offered **FREE** of charge to residents of the Region of Peel who are 16 years or older. All you have to do is invest 15.0 hours of your time.*

* All sessions must be attended to receive a certificate.
