

Call for Posters

Graduate students are invited to apply to the Poster Contest

Important Information

Guidelines:

- Posters must address research related to OMAFRA's Bioeconomy Research Theme

Abstracts must include:

- Project title
- Name of student
- A brief explanation of the project
- Why the project is important
- What the specific benefit of the project has been/could be
- Who has benefited or is expected to benefit from this research

Additional Resources:

- More Information on Priorities
- Poster Template
- Plain Language Training (October 3rd, 2016)

To RSVP or for more information: **Rebecca Moore** at kttadmin@uoguelph.ca

Notification

A review committee will select abstracts for poster display and notification of acceptance with poster guidelines will occur by e-mail by September 28th, 2016.
